

Thinking About Making Healthy Change?

DO THIS FIRST

The *"Think Right, Eat Right, Move Right"*
Core Wellness Mini Boot Camp

TUESDAY April 7th, 6 to 8pm
Core Wellness, 246 Spring St, Downtown Jeffersonville

"Knowledge is power - and I've never been stronger! Dr. Hoffman has armed me with the truth, which has strengthened my resolve to stay healthy and fit -for life. His presentation style is very enjoyable... His passion and good humor are refreshing. It is clear that he is not just selling something and that he honestly wants to reach out to people with the truth"
-Robin Russo, Louisville

Dr. Steven Hoffman has been educating and motivating healthy change in seminars for over 10 years. Gather with like minds and build your support network at this exciting event.

Heres What You'll Discover In This Exciting and Fun 2 Hour Mini-Boot Camp...

- ☑ The *surprisingly simple* fat balance secret for weight loss, pain relief, and cellular age reversal
- ☑ How the "new rules" of core stability allow you to burn fat faster *without risking injury*
- ☑ The #1 MENTAL MISTAKE that leads to self sabotage...and how to avoid it
- ☑ *Crucial* "Conscious eating" strategies that drop pounds while giving you peace of mind
- ☑ How to save thousands, even *hundreds of thousands* on your future health care expenses.

The best \$47 investment you've ever made in your health...GUARANTEED!

If you're not thrilled and inspired by this amazing info, I don't deserve your money and will refund it upon your request.
